The Principal,
SMVVS RKM AMC Vijayapura,

Subject: Formation of the Academic Committee

We are pleased to announce the formation of the Academic Committee at SMVVS'S RKM AYURVEDA MEDICAL COLLEGE AND HOSPITAL effective from 17/06/2024. The Academic Council will play a critical role in guiding the academic development and policies of the institution.

The council will meet on quarterly to discuss and make decisions on various academic issues. We look forward to the Academic Council's contribution to enhancing the academic excellence of our institution

ACADEMIC COMMITTEE

Aims :

- Enhance the Quality of Education: To ensure that the curriculum, teaching methodologies, and academic programs are aligned with global standards while integrating the ancient principles of Ayurveda.
- Encourage Research and Innovation: To stimulate research in Ayurvedic medicine and related fields, ensuring that evidence-based practices continue to evolve.
- Support Student Development: To provide a framework for the academic, professional, and personal growth of students in Ayurveda and modern science.
- Promote Ethical Practices: To instill a strong sense of ethics, responsibility, and professionalism among students and faculty in Ayurvedic practice.

Objectives :

- Curriculum Development: Regularly review and update the curriculum to ensure it is in line with both traditional Ayurvedic teachings and modern medical advancements.
- Faculty Development: Organize training and development programs for faculty members to keep them updated with the latest teaching techniques and Ayurvedic practices.
- Student Assessment and Evaluation: Design fair and comprehensive methods for evaluating student progress, including periodic assessments, internal assessments, practicals, and clinical assessments.
- Research Promotion: Encourage and facilitate students and faculty to engage in scientific research that contributes to the growth and acceptance of Ayurveda in modern healthcare systems.
- Enhance Clinical Exposure: Ensure students receive practical training through clinical internships and case studies to apply Ayurvedic knowledge in real-world settings.
- Promote Ayurvedic Awareness: Work towards increasing the visibility and credibility of Ayurveda in the medical field by organizing seminars, workshops, and public outreach programs.
- Advisory role: Advising the governing body of the college on academic and strategic matters. Proposing changes to meet global standard in ayurveda education.
- Quality assurance: ensuring adherence to the standards prescribed by regulatory bodies like NCISM AND MINISTRY OF AYUSH.
